Memory Cafés are places where persons with MCI (Mild Cognitive Impairment) early-stage Alzheimer's or a related dementia can go with their care partners to socialize and have fun with other people going through similar things. A Memory Café has no real agenda or stated purpose except to enjoy each other's company. Cafés provide a time where you do not need to focus on the diagnosis while having a great time connecting with each other as a family or creating new friendships.

Please share with your contacts. Bring a friend.

- 2nd Tuesday of every month
- 4 - 5:30 pm
- South Elgin Village Squire
  480 S. Randall Rd.
  South Elgin, IL 60177
